

Dear

I love going to the beach with my parents to see the seals. We don't have other places to see wild animals except at the zoo where they are kept in cages. Their home is at the beach and we would never want to hurt them. We don't like it when other people go on the beach and scare them. They need to rest too.

Please think of me, my brothers and sisters, and all the other kids who love the seals. You're the only ones we can ask to protect them.

Thanks for reading my letter,
